To All Parents/Guardians of Year 7 Pupils

Dear Parents/Guardians

The Mathematics Department run two Parent Information sessions during the year. The purpose of these is to give an insight into the working of the Department and some of the experiences the pupils might expect. The first 'Maths Explained' session is to be held on Tuesday 12 September in Room 33 at 6.30pm. The session will last approximately 45 minutes.

The aim of the session will be to give you information about:

1. How the Mathematics teaching in Year 7 is organised
2. How some websites may be used to support learning
3. Homework, marking and assessment

I look forward to seeing you.

Yours sincerely,

Steve Brook
Deputy Headmaster
Subject Leader of Mathematics
