Dear Parents and Carers,

CAREERS TALK – ROLLS ROYCE APPRENTICESHIP

On Wednesday 11 December we have organised a Careers Talk from a former student who is currently an Apprentice Engineer at Rolls Royce. Jacob Sheldon finished his A Levels at The King's School in 2017 and applied to Rolls Royce for a place on their apprenticeship scheme. Jacob will be joined by Sarah Edstrom who is also an apprentice at Rolls Royce and together they will discuss the apprenticeship at Rolls Royce including more general information on the apprenticeship route after A Levels.

Numbers for the talk will be limited and we ask students and parents to sign up in advance and no later than Tuesday 10 December. We would encourage parents to attend with their son but appreciate that this may not be possible due to the early start time which has been scheduled to accommodate the speaker. Students are also welcome to attend by themselves.

We would be grateful if you could return the reply slip to the School Office by Tuesday 10 December if you or your son would like to attend.

Yours sincerely
